About This Community

When you wake up at Fairways Country Club in Orlando, FL, you'll wonder if you're still dreaming! Every day is an event, with daily planned activities for our residents and 18 holes of golf, three swimming pools, two whirlpool spas, and fishing lakes.

The southern charm here extends far beyond our securely gated property. Explore entertaining Orlando, and you'll find yourself with no shortage of stops to make! Hundreds of lakes for fishing are nearby, and when the grandkids visit, whisk them off to Walt Disney World. With easy freeway access comes farther adventures, too!
