

Green River Village

4901 Green River Drive | Corona, CA 92878

About This Community

Set between the Santa Ana River and Cleveland National Forest, Green River Village offers spectacular Southern California views. With both Los Angeles and Orange County nearby, convenience will be standard for your family. If you decide to venture out locally, you'll find an array of fun, from golfing to hiking and parks.

While at home in Green River Village, you can enjoy swimming in the pool, joining an event at the clubhouse, or sweating it out in our saunas or fitness center.
